

DISABILITY AWARENESS

Overview

This course allows you to create a working environment of equality and fairness in compliance with The Equality Act (2010). Developing an understanding of conditions will help ensure that both management and staff overcome any uncertainty relating to disability. Training fulfils recommendations by the CQC to improve the level of support provided to those with a disability.

Outline of Programme

- Understanding what classifies as a disability.
- Categories and levels of disability.
- Adapting to suit the needs of those with a disability.
- Including disabled employees in work projects.
- Integrate disability into your company permanently.
- Break down disability discrimination barriers.
- Anti-discrimination legislation and guidelines for both customers and employees.

Assessment

The disability awareness course runs over 3 hours and delegates will be expected to engage in several group activities. Our experienced trainers will be on hand to help guide participants through these sessions and a certificate will be awarded upon completion.

Cost

Our courses are competitively priced, and we aim to beat any equivalent training quote.
