

LEARNING DISABILITY AWARENESS

Overview

This course provides delegates with a greater understanding of what a learning disability is, how they are caused and the best ways to deal with them. The training covers the specifics of several different learning disabilities, ensuring that delegates are understanding of the behaviour associated with them and how to manage a range of challenging scenarios appropriately.

Outline of Programme

- What is a learning disability?
- What causes a learning disability?
- Diagnosis of learning disabilities.
- Learning disabilities and other conditions.
- Understanding challenging behaviours.

Assessment

The Learning Disability Awareness training takes around 3 hours and delegates may need to engage in group activities. Our experienced trainers will be on hand to help guide participants through these sessions and a certificate will be awarded upon completion.

Cost

Our courses are competitively priced, and we aim to beat any equivalent training quote.

Important Information

- The training venue should be quiet and undisturbed.
- Staff should not be expected to be on duty.

- Staff attending should remain for the entire length of the session.
- Flexible dates available.
- Call to book a day that suits you.
