

PRESSURE SORE AWARENESS

Overview

Pressure Sore Awareness training is primarily for those who are employed, or looking to work, in the healthcare sector. Delegates will be taught the fundamentals of pressure sore care with a focus on industry standard prevention methods. They will also learn specifically about the factors which can lead to the development of pressure sores, how to identify infection, and ways in which it can be treated.

Outline of Programme

- Understanding pressure sores and how to help prevent them.
- The main structures and functions of skin.
- Pressure ulcers.
- Common sites for pressure ulcers.
- Managing pressure ulcers.

Assessment

Pressure Sore Awareness training takes around 3 hours and delegates will be expected to engage in several group activities. Our experienced trainers will be on hand to help guide delegates through these sessions and a certificate will be awarded upon completion.

Cost

Our courses are competitively priced, and we aim to beat any equivalent training quote.

Important Information

- The training venue should be quiet and undisturbed.
- Staff should not be expected to be on duty.
- Staff attending should remain for the entire length of the session.

- Flexible dates available.
- Call to book a day that suits you.
