

TEAM LEADERSHIP TRAINING

Overview

This course provides candidates with a greater understanding of team leadership, ensuring that they are equipped with the skills required to motivate a team to continuously improve their performance. Training is aimed at those working at a managerial level and establishes an understanding of management theories which they can apply within their own working role.

Outline of Programme

- Introduction and explanation.
- Awareness of the role of a team leader.
- Techniques used for building an effective team.
- Developing skills and confidence to deal decisively with difficult situations.
- Understanding current management theories and practice.
- Practical exercises to give you confidence in your management style.
- Skills to be proactive in the role of team leader.

Assessment

The team leadership training course lasts 4 hours and delegates will receive a certificate upon completion. Delegates will be expected to engage in several group activities. Our experienced trainers will be on hand to help guide through these sessions and a certificate will be awarded upon completion.

Cost

Our courses are competitively priced, and we aim to beat any equivalent training quote.

Important Information

- The training venue should be quiet and undisturbed.
